Engineer Sanborn has bet a now hat that Maysville's brick streets will be finished by December 1st. They expect to complete the concreting by Monday evening, also the corbing, and this will leave nothing to do but lay brick and clean-up. Nothing like having good officials to push matters. Thanks to all who have done their share.

SAME OLD STORY

Man Hires a Horse in Vanceburg and Sells It in This City

Mr. T. M. Bowman, liveryman of Vanceburg, was in the city yesterday to recover a horse that was stolen from him on last Friday.

It is the same old story of a man hiring a horse and then selling it to some innocent party.

This time Mr. Baker Wood was the innocent purchaser. He paid a nice sum for his experience.

The alleged thief is known to all parties of the transaction, and the officials are on the lookout for him.

Mr. Bowman found his horse at George Politt's livery stable, where Mr. Wood had him put until he found time to dispose of same.

BOARD OF EDUCATION

Pursuant to adjournment the Board of Education met last evening in the High School Building, with Vice-President Schwartz in the Chair.

Secretary Thomas called roll and the following answered present: Messrs. Cochran, Geisel, Yazell, Taylor, Poyntz, Collins, Schwartz, Russell, Calvert and Thomas.

Of the special members of the Committee the following were present: Messrs. P. P. Parker, J. I. Salisbury, J. T. Short, S. P. Browning and Dr. Thomas E. Pickett.

Absent, Messrs. Nesbitt, Ryder and Everett.

Upon motion, the Secretary read the nine bids of sites, as follows—

M. P. Redmond offered in Second Ward, between Wall and Short streets, 100 feet front on Third street, running back 100 feet to Lexington pike. Price, \$2,500.

Sallee & Slattery, for the heirs of Emile Martin, in Fourth Ward, 66 feet on the East side of Limestone street and 132 feet on the South side of Second street; corner lots front 66 feet on Second street and run back 138 feet. No price quoted.

Messrs. Robert Ficklin and T. M. Russell offered their properties, consisting of 133 feet on the South side of Third street and extending back 150 feet to the Richard Carr mill. Price, \$11,000.

Emi Tolia Thomas Hunter offered her property between Second and Third streets, Lindsey avenue and new street, with buildings on same. Price, \$20,000.

John Duley offered corner lot at Second and Limestone streets, known as the Porkhouse Lot, of 118 1/2 feet on Second street and extending back 120 feet; the Zweigart property, 90 feet on Limestone street, extending back 118 feet, making 118 1/2 feet frontage and 210 feet deep. Price for both properties, \$13,000.

John Duley also offered in the Second Ward 66 feet on Second street, extending back 205 feet, belonging to William H. Cox; lot adjoining on East side, fronting 47 feet and extending back 205 feet, same being the Heiser property; giving a lot 113 feet front and 205 feet deep. Price for both properties, \$8,700.

Messrs. Louis Rosor, P. H. Blythe and Lee Helmer offered their properties at Second and Wall streets, running North on Wall street 122 feet and East on Second street 122 feet. Price for all, \$14,600.

Mr. William H. Cox offered a lot on West Second street, South side, corner Second and Gray streets, 66 feet on Second street, extending back 205 feet. Price \$4,000. This is the same lot offered by Mr. Duley.

Mr. J. H. Dodson offered the property recently purchased by him on Northeast corner of Wall and Front streets at \$6 per foot on Wall street and \$9.09 11-100 on Front street. This bid was written in a humorous vein and no serious consideration was given it.

All of the sites were given consideration, but nothing definite was decided upon. This was left open until a report from the Committee considering the size of the buildings and rooms needed shall have reported.

The committee having the size of the buildings in charge was named last night, with instructions to report at the next meeting. Following is the Committee: Messrs. Cochran, Geisel, Poyntz, Russell, Calvert and Thomas.

At the next meeting the sites and size of the buildings are to be definitely agreed upon.

Why does a politician spend \$50,000 to get a \$5,000 office? The first correct answer will entitle the holder to a round-trip excursion on the Aberdeen ferry-boat.

The French papers say that Count Boni, since his failure to get an allowance of \$50,000 a year from his late American wife, is strangely missing. Getting ready, perhaps, to come over and go on the stage.

The refusal of the French Judge to give Count Boni de Castellane an "alimentary allowance of \$50,000 annually" out of his wife's remaining money, was a blow that nearly killed the worthless Count's creditors.

Those who sent their contributions to the San Francisco sufferers through THE LEDGER, are assured that they were properly applied. I hold receipts from Hon. JAMES D. PHELAN, Chairman of the Relief Committee, for every dollar. It is to be hoped that the "Grafters" who stole \$1,000,000 of the people's offerings will be fitly punished for their villainy.

There are thousands of people in Kentucky who think Governor BECKHAM ought to pardon CALEB POWERS; but neither Mr. POWERS nor his friends are seeking a pardon. He has done nothing that requires it. All that he asks, and all that his friends ask for him, is a fair trial before an impartial Court and an impartial Jury; and this has not yet been granted to him in Kentucky.

PADUCAN is putting on airs. Other Kentucky towns had plain snow a few days ago, but it was "precipitation" in the burg at the mouth of the Tennessee.

Of the vast sums sent by generous America to the San Francisco earthquake and fire sufferers, it now develops that the "Grafters" of that city got not less than \$1,000,000. President ROOSEVELT is behind an investigation into the matter, one hundred secret service men are at work, and the President has adopted General GRANT's aphorism, "Let no guilty man escape." Looks like a people who will not permit their children to sit in school with Japanese children, should themselves be careful lest they sit in the Penitentiary with other common thieves.

TYPOGRAPHICAL ERRORS.

Independence Reporter.

"In the adulation of prominent men we are prone to place them on an eminence and not associate them with things of every day," wrote the reporter in Saturday's paper. But the intelligent typesetter made it read: "In the adulation of prominent men," and when the paper came out the reporter fairly tore his hair.

Mistakes in newspaper print are of common and sometimes very embarrassing occurrence.

On one occasion the writer had prepared a very particular obituary of a prominent citizen who had just passed over. The family had ordered one hundred copies of the paper. The makeup man blunderingly got several long paragraphs of the record of a stallion in the middle of the obituary. Needless to say the one hundred copies of the paper were not taken.

Horace Greeley once wrote an article on "Suburban Journalism Advancing," and the compositor, thinking it one of his famous agricultural articles, set it up, "Superb Jerusalem Artichoke."

A Chicago writer described an exquisite as one "Whose manners would adorn a drawing room," but the unthinking compositor made it read, "Whose manners would alarm a drowning man."

"One of the worst instances of misprints was where the heading, "A Honeymoon Cut Short," was printed in full face, "A Hungarian Cut-throat."

Perhaps no newspaper writer was ever more chagrined than the society editor who, in describing a fashionable party, intended to say of the hostess, "She looked au fait," and the unfeeling blacksmith made it read, "She looked all feet."

Officials of the National Cash Register Company of Dayton, O., say they will consider Cincinnati should they decide to remove their plant from Dayton. The Company's annual payroll amounts to \$4,000,000 and the business is growing at the rate of 30% every year. Come over to Maysville, gentlemen; and don't forget to bring them \$4,000,000.

Young Moran was taken to a hospital. He was found to be apparently uninjured.

DAWSON—LAWSON.

The wedding Wednesday evening last of Mr. Asa Blanchard Dawson, formerly of this city, and Miss Maude Eliza Lawson was one of the most elegant of recent events in Portsmouth society.

The home of the bride, where the nuptials took place, is among the most beautiful in that city, and its decorations on this happy occasion were especially handsome.

The attendants were Miss Lena Hottes of Lexington, Miss Helen Dawson, Messrs. Ernest Lawson and Charles Roth.

The bride wore an elegant gown of white French embroidered net, made over a delicate lining of white messaline. The panels were made of bourbon lace and ruchings of messaline; the bodice high in the neck and short sleeves, also adorned with the same bandsome lace. Her shower bouquet of bride roses and smilax completed her toilet.

Mr. and Mrs. Dawson left Thursday afternoon for a trip in the West.

Among those in attendance at the wedding were Mr. and Mrs. Robert Dawson, Mr. and Mrs. Sherman Arn, Mr. and Mrs. W. T. Berry and Mrs. John Dersch of this city.

INCREASE EXPECTED

C. and O. Will Probably Follow Pennsylvania as to Wages

Head officials, chief train dispatchers and engineers along the entire system of the Chesapeake and Ohio Railway are holding an important conference at Richmond.

Before adjournment it is likely that the C. and O. will follow the Pennsylvania Railway Company and announce a 10% increase in wages to the employees whose salaries are below \$200.

The object of the meeting was to arrange a new wage scale and the employees are almost sanguine that a 10% increase will be officially announced in a few days.

THINKFUL THOUGHTS ... FOR ...

THOUGHTFUL THINKERS.
This means you, Mr. Farmer. Time was when Farmer Corn-tassel was not supposed to think; but times have changed, and he is now considered among the brainiest thinkers in the world, and the sale of gold bricks has materially decreased. Nowadays he demands and must have the best. Here is a little thought that is worth your while. Have you ever seen a "Handy" Low Wheel Wagon? Ever hear of them? Here is a picture of how they look.

Come to our warehouse and see the original and let us show you some reasons why we think you ought to have one for your farm work. Our time is yours. We are here to serve you.

Mr. Shelby Blatterman is building a model stock barn on his farm near Maysville. It will be equipped with a gasoline engine, corn shredder, corn crusher, water-works and every requisite to convenience and comfort. Representative Burton of Ohio, Chairman of the Rivers and Harbors Committee, says he expects to have his bill through the House before the middle of January. It will probably carry \$50,000,000. The Rivers and Harbors Committee will begin its work on the bill within two weeks, and it will be introduced in the House before Christmas. Mr. Burton spent several weeks in the Southern states during the past summer, and is very favorably impressed with the projections in that section. The South promises to fare better in the coming bill than ever before.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

DANGER IN DELAY.

Kidney Diseases Are Too Dangerous for Maysville People to Neglect.

The great danger of kidney trouble is that they get a firm hold before the sufferer recognizes them. Health is gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles, dropsy, diabetes and Bright's disease follow in merciless succession. Don't neglect your kidneys. Cure the kidneys with the certain and safe remedy, Doan's Kidney Pills, which has cured people right here in Maysville.

M. C. Chisholm, Constable in District No. 2, living at 343 East Second street, Maysville, Ky., says:

"Doan's Kidney Pills positively cured me of kidney trouble and I do not hesitate to give them the strongest kind of recommendation. I had been troubled with too frequent action of the kidney secretions and it disturbed my rest nights. Having my attention called to Doan's Kidney Pills I procured them at J. Jas. Wood & Son's Drugstore and I noticed an improvement in my condition from the start. My trouble was soon entirely cured. This was some five years ago, and I have had no return of it since. Any one suffering from difficulties arising from disordered kidneys can make no mistake by using Doan's Kidney Pills."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute.
